-----	---	--

The Coast Guard will enforce the safety zones listed in 33 CFR 165.151 on the specified dates and times as indicated in tables above. If the event is delayed by inclement weather, the regulation will be enforced on the rain date indicated in tables above. These regulations were published in the Federal Register on February 10, 2012 (77 FR 6954).

Under the provisions of 33 CFR 165.151, The fireworks displays and swimming events listed above in DATES are established as safety zones. During these enforcement periods, persons and vessels are prohibited from entering into, transiting through, mooring, or anchoring within the safety zones unless they receive permission from the COTP or designated representative.

This rule is issued under authority of 33 CFR 165 and 5 U.S.C. 552 (a). In addition to this rule in the Federal Register, the Coast Guard will provide the maritime community with advance notification of this enforcement

period via the Local Notice to Mariners or marine information broadcasts. If the COTP determines that a regulated area need not be enforced for the full duration stated in this notice, a Broadcast Notice to Mariners may be used to grant general permission to enter the regulated area.

Dated: June 14, 2012

J. M. Vojvodich  
Captain, U. S. Coast Guard  
Captain of the Port Sector Long Island Sound
